

SIG/AEC at the Blues game

On January 12, 2016, 246 staff, family and friends attended the Saint Louis Blues versus the New Jersey Devils hockey game at the Scottrade Center in Saint Louis. The Blues responded with an exciting 5-2 thumping of the Devils. Coupled with last year's 7-2 victory over the Sharks the SIG/AEC family seems to be a good luck charm for the local NHL team. We will see what next year brings. GO BLUES!
